

Our Vision

Camptonville is a rural place where people are responsibly using their social and environmental resources to generate a safe, sustainable, and healthy community.

Our Goals

A vital present, and a promising future for our children.

A healthy and sustainable rural environment .

A locally-connected and earth-friendly economy.

We work toward these goals by being a resource for advocacy, education, celebration, and community-building. Our activities reflect the perspective of "thinking globally, acting locally."

Accomplishments

- 1997 All America Cities and Communities Finalist
